The chart on the back of this insert lists standard stock sizes of semi-elliptical 2:1 heads and the approximate delivery time of non-stock sizes. This chart applies only to heads made from SA 516 Grade 70 material. Heads made from stainless steel, chrome moly heads, and other materials are made to order.

Heads are stocked with a minimum 2" (51 mm) straight flange, however some size can be ordered with 5" (127 mm) maximum straight flange.

For sizing lists, see back of this page.
